STRUX INC

Digital Managers

To Whomsoever It May Concern

I am glad to get this opportunity to write this letter of recommendation in support of Mr. Prithvi Badipuram, who has been working as a web developer in my company, Strux Inc., for 6 months. Prithvi joined our organization as a full-time intern with sufficient experience for someone his age and has managed to grow exponentially in a short period. He has consistently delivered high-quality work on time and with great attention to detail.

A huge part of Prithvi Badipuram with us was coordinating interdepartmentally to facilitate the completion of company-wide goals through web development. He was always thoughtful and considerate, an excellent team player who can also work independently and do a fantastic job. As a web developer, he works on both the front end and the back end. With languages such as HTML, CSS, JavaScript, and React. He is an expert in frontend design, and he is always curious to learn new things and stay up to date with the latest development Skill in web development.

In addition to their technical expertise, Prithvi Badipuram is also an excellent team player. He works well with others and is always willing to lend a helping hand. He has a positive attitude and a strong work ethic, and he is committed to delivering high-quality work that exceeds expectations.

Displaying unmistakable traits of a determined achiever, I highly recommend Prithvi Badipuram for any web development position. He is a talented and dedicated professional who would be a valuable asset to any team.

Best Regards,
Strux Inc.
